Hi Jodi,

I hope you are doing well! ORC and ECAD are currently taking the lead on the review of another FOIA related to AltEn (clarified request is attached). I spoke with Candace and Erin who have asked you and Kasey Barton to complete the first level of review.

The collection is currently sorted into batches by custodian. You should have access to the collection here:
<https://webreviewprod.epa.gov/>

If you have any questions or would like to discuss the nature of the request in more detail, please let me know! I am online until 11 tomorrow.

Thanks,

Angela

Hi Erin and Candace,

Kasey and I spoke with the requester this afternoon, see below for a brief summary of our conversation.

The new internal due date for this request is November 29th. This will allow time to finalize the production and send the request to HQ for the required 72-hour awareness review. FOIAonline should reflect the new due date shortly.

Please let me know if you have any additional questions!

Hi Chris,

Thanks again for taking the time to speak with Kasey and me about your request.

As we discussed, the new agreed upon due date for this request is December 3, 2021. You also confirmed you would not like meeting invites to be included in the response. The review team will mark the invites as non-responsive.

Please let me know if you have any additional questions or would like to have a separate call to discuss the CBI process in more detail.

Thanks again,

Angela
